

## Work Experience

---

### Autom Mate - Remote

#### Product Designer · June 2021 - Present

Currently working with AutomMate as a full-time contractor. I'm responsible for redefining the User Experience of Autom Mate post it's MVP launch.

### FlyFin AI - Remote

#### Product Designer · Dec 2021 - May 2022

FlyFin is a US based consumer startup trying to automate taxes for freelancers and self employed. Helped them out to build a webapp solution for the desktop users.

### StatusNeo Inc. - Gurgaon, India

#### Consultant · Jan 2021 - Dec 2021

Worked on a new product for a Fortune 500 company where I was responsible for the design aspect of project.

Projects: AI/ML Marketplace (Jio AI CoE), McKinsey & Company (ODE), William Hills (Internal Backstage)

### Kiyoo - Remote

#### UX/UI Designer · Jul 2020 - Jan 2021

Built a menstrual cycle tracking application for multiple platforms. During this "period" (pun intended) time was spent on qualitative research, design hypothesis, building interface and branding work along with visual guide.

### PUMA India HQ - Bangalore, India

#### Concept VM (GP) · Dec 2019 - Jun 2020

Appointed as a Graduation Project intern. Reported to Head VM and worked on multiple projects which are live even today. Was offered a PPO.

### Genesis Luxury - Gurgaon, India

#### VM (Intern) · May 2019 - Jul 2019

Appointed as VM Intern for multiple Luxe Fashion Houses based in Europe. Reported directly to the Head VM.

Major Projects: Giorgio Armani Achkan Project and TUMI Chris Pratt Outpost.

## Projects

---

### EY Spotmentor x Zigital

2022 - Client Project

Worked with Zigital to design and integrate their community based platform with Ernst & Young's product Spotmentor.

### RPA + iPaaS Platform

2021 - IT Company (Turkey)

Led Re-design for IT Hero's (Turkey) new product "Autom Mate". Worked closely with their CTO & Product Team to enhance product features and meet business goals.

## Work Experience

---

### [TEDxShivajiCollege](#) - New Delhi, India

**Creative Head** · Mar 2018 - Aug 2018

Responsible for the creative content for the first ever TEDx at ShivajiCollege. Event was held on 24, August, 2018 and had great personalities as speakers - Mohammad Kaif, Shruti Sharma, Dr. Niladri Chatterjee to name a few.

### [PUMA India HQ](#) - Bangalore, India

**Visual Merchandising Intern** · May 2018 - Jul 2018

Began with my first visual merchandising experience. I reported directly to Sr. Manager - Concept VM, under whom I did few projects:

- Developed Planograms from scratch of the AW'18 Season for 64+ stores A/A+ Doors across the country.
- Designed a PDQ Display Elevation of the Football BU (Future) for 10+ B&C Partner Doors.

### [NYX Wolves](#) - Remote

**Lead Graphic Designer** · Sep 2017 - Dec 2017

Started working with NYX in the early days of the company when whole team could fit in a 4x4. Provided them with graphic content across the globe with strong deadlines for bulk distribution, email dripping and various social media campaigns.

### [ClayBrains Design](#) - New Delhi, India

**Graphic Design (Intern)** · Jun 2017 - Jul 2017

Working directly with the co-founders, putting my ideas on desk and conceptualizing them for further utilization by clients was fun - Brand Identity, Advertisements and Product Packaging.

Major Clients: Mederma, Juteberry.

## Minor Experience

---

### [Om Glass Works Pvt. Ltd.](#)

**Industrial Trainee** · May 2018

Attended Industrial Orientation at one of the India's leading glass manufacturers led by Chairman Sh. Pradeep Kumar Gupta where I learnt about the LEAN glass manufacturing process, sampling, product generation and documented factory analysis for the board.

## Projects

---

### [Jio AI Exchange](#)

2021 - StatusNeo Inc.

Built the UX Architecture and Product for an upcoming AI/ML platform by India's biggest telecom company entering into AI space. Currently the product is in development stage.

### [Kiyou, Mobile App](#)

2020

Led the Product Architecture and Design of kiyou's menstrual cycle tracking app for users below 40 years of age.

### [PUMA - FOC & SIS Guidelines](#)

2020

Created first ever FOC and SIS Guidelines for PUMA's Key Accounts and Factory Outlet doors to bring efficiency in store staff training across country, ONO and Partner Doors.

### [PUMA - Product Displays](#)

2021

Designed few product displays, windows and in-store design collateral for major launches in 2020 - PUMA x Hundreds; X-Ray, Speed Orbitor, PUMA Select.

### [Mederma](#)

2017

Designed marketing collaterals for world's renowned scar cream brand Mederma for their PAN India presence - Flyers, posters and banners.

### [Juteberry](#)

2017

Worked on branding for Calcutta's sustainable bag brand under Design Startup during my internship.

## Projects (Non Commercial)

---

### [PUMA UX Revamp](#)

2020 - Personal Project

Redesigned the UX of current ecommerce landing page during my official stint at the brand.
